## Worry-free mobility with Audi.

Audi UK is pleased to support the Motability Scheme, giving disabled customers the opportunity of worry-free mobility with a simple, fixed monthly payment.

If you receive either the Higher Rate Mobility Component of Disability Living Allowance (HMRC DLA), the Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC PIP), the War Pensioners' Mobility Supplement (WPMS) or the Armed Forces Independence Payment (AFIP) you may be eligible to join the Motability Scheme.

The Audi Motability Scheme includes:

- ▶ A new Audi every three years
- ▶ Insurance from RSA Motability (RSAM)
- ▶ Breakdown assistance
- ▶ Servicing, maintenance and repairs
- ▶ Adaptations if required, many at no extra cost

This guide provides a list of the models currently available from Audi UK under the Motability Scheme. To find out more, contact your local Audi Centre, or visit [audi.co.uk/motability](https://www.audi.co.uk/motability)

\*Fuel consumption and CO<sub>2</sub> emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows a direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. Optional wheels may affect emissions and fuel consumption figures. More information is available at [www.dft.gov.uk/vca](http://www.dft.gov.uk/vca)
