Audi Genuine Accessories. As individual as you are.

Make the most of every journey in your Audi Q7, thanks to a wide range of accessories approved by our experts. Each one is created with the same care and attention to detail you expect of Audi, produced to our meticulous standards and designed to integrate perfectly with the car you drive. Take a look through this guide to see a wide selection of the accessories available, then visit the online AudiStore.

Sport and design

Page 04

Add an extra touch of style and flair to your Audi Q7 with a range of dynamic options.

Transport

Page 10

Wherever your journey takes you, make sure you can bring everything you need with genuine Audi travel accessories.

Communication

Page 16

Music. Phone contacts. Social networks. Stay connected to everything that matters as you drive with our communication technology.

Family

Page 18

Nothing in your Audi could be more important than your family, so we’ve developed features with their safety, security and convenience in mind.

Comfort and protection

Page 22

Give your Audi all the protection it needs, whether it’s against muddy footprints or scratches while unloading luggage.
LED rear lights, dark-tinted

A shining example for striking details. Made from clear plastic, visible chrome strips inside the light create a sporty look.

Door cover strips*

Painted Stone grey, metallic. Reduce damage (e.g. from stone chips).

Front spoiler lips*

Painted Stone grey, metallic. Create an angular appearance down to the finest detail.

Door cover strips* Painted Stone grey, metallic. Reduce damage (e.g. from stone chips).

Exterior mirror covers in carbon

Dynamic and sporty. The exterior mirror covers in high-quality carbon represent a visual highlight, while also saving on weight.

*Available as optional equipment or as a retrofit solution from your Audi Centre.
Sport tailpipe trims*  
Made from black chrome-finished stainless steel. For especially dynamic accent at the rear.

Roof edge spoiler*  
With integrated brake light, supports a high level of aerodynamics and signals pure power.

Running boards, stainless steel  
Make it easier to stow items in the ski and luggage box on the roof. Rubber pads protect against slipping. Each running board has a load capacity of 200 kg.

Wheel arch covers for wheel arch extensions  
Painted in Stone grey, metallic. Underline the striking design of the vehicle and protect the side sections.

Bumper cover*  
Painted in Stone grey, metallic. Demonstrates the powerful sportiness of the Audi Q7 at first glance.

*Available as optional equipment or as a retrofit solution from your Audi Centre.
LED for entry area
For a bright entrance. Depending on the variant, either the quattro logo or the Audi rings are projected onto the ground by means of an LED light when the vehicle door is opened. Available in a two-part set for the driver and front passenger side or for the rear vehicle doors.

Cast aluminium wheels in ‘10-arm talea’ design, matt black, high-gloss turned finish*
A wheel in an extraordinary design. In dimensions 21” x 9.5J for 285/40 R21 tyres.

Cast aluminium winter wheel in ‘5-arm crena’ design, brilliant silver
Complete winter wheel suitable for use with snow chains in dimensions 20” x 8.0J for 255/50 R20 tyres. Maximum permissible speed: 130mph. Fuel efficiency class: E; wet grip class: C; external rolling noise class: 73 dB.

Cast aluminium winter wheel in ‘5-arm crena’ design, brilliant silver
Complete winter wheel suitable for use with snow chains in dimensions 20” x 8.0J for 255/50 R20 tyres. Maximum permissible speed: 130mph. Fuel efficiency class: E; wet grip class: C; external rolling noise class: 73 dB.

* Please note the following information relating to wheels: Aluminium wheels with a high-gloss turned finish, or polished or partly polished aluminium wheels, must not be used in the event of wintry road conditions. Due to the manufacturing process, the rim surfaces do not possess sufficient anti-corrosion protection and are at risk of long-term damage due to road salt or similar materials. Please note that not all cast aluminium wheels are available as optional equipment; some are only available as a retrofit solution from your Audi Centre.

Anti-theft wheel bolts
To stop thieves, the bolts can only be loosened with the special adapter provided.

Valve caps
The four metal valve caps with embossed Audi logo provide enhanced protection for the valve against dust, dirt and moisture. Available for rubber, metal and aluminium valves.

Wheel bags
Four-piece set with practical handles, enables easy and clean transportation and the storage of complete wheels. Made from tear-resistant plastic. Wheel bolts can be stored in the outside pockets.

Snow chains (not pictured)
Constructed for snow and ice. Available in a range of sizes.

Carrier unit for roof rails
Carrier unit for various roof rack modules, such as the bicycle rack, kayak rack, and ski and luggage box. The profile is made from anodised aluminium. The carrier unit is easy to fit and is lockable. Maximum permissible overall weight for the carrier unit, roof rack modules and load: 100 kg.

Kayak rack
For single kayaks weighing up to 45 kg. Can be tilted for easy loading and unloading. The kayak rack and elasticated belt can be secured separately. Can only be used in conjunction with the carrier unit.
A new design from Audi featuring improved aerodynamics thanks to a flatter, sportier design. Available in Platinum grey with Brilliant black side blades or gloss Brilliant black, each featuring chrome Audi rings and a high quality, rivet-free look. Boxes are lockable and can be opened from both sides for easy loading and unloading, with an internal handle for closing the box. The simple, quick-action securing system includes torque limitation. Positioned towards the front of the vehicle, providing optimum access to the luggage compartment. Available in three sizes: 300 litres, 360 litres and 405 litres. Can only be used in conjunction with the carrier unit.

_Ski and luggage boxes_

Robust yet flexible. These bags are equipped with a watertight floor featuring a watertight border extending 5 cm upwards. Ideal for making full use of the Audi roof boxes, as it is possible to use the individual bags in various combinations. Available in three sizes: S (43 litres), M (76 litres) and L (82 litres).

_Bags for roof boxes_

For storage or transport of carrier units and smaller roof rack modules. Made from durable material, with multiple loops and a side pocket for suitable tools or small parts.
* Please note the information regarding the maximum permissible trailer load and the gross vehicle weight rating of your car can be found in the vehicle manual.

**Ski and snowboard rack**

For easy transportation of up to six pairs of skis or four snowboards. Lockable. Can only be used in conjunction with the carrier unit.

**Trailer towing hitch including trailer assistant (not pictured)**

Trailer towing hitch with electrically retracting ball coupling, open-ended in the luggage compartment. The integrated swivelling system socket allows continuous operation of electrical equipment in the trailer or caravan while driving. The trailer electrical system is integrated via the electronic stabilisation control (ESC). Trailer hitch with adjustable limit stop. Trailer assistant helps the driver to estimate the distance of the trailer using the MMI rotary push button; feedback on the trailer and the system status is shown in the MMI display.

**Bicycle carrier for the trailer towing hitch**

Bicycle carrier (also suitable for electric bikes) for up to two bicycles with a maximum load capacity of 60 kg.* The same key can be used to separately lock bikes onto the carrier and the carrier onto the vehicle. Moveable wheel restrainers provide a secure hold. Easy access to the luggage compartment is achieved by way of a practical folding mechanism. The bicycle carrier can be folded up and conveniently stored in the luggage compartment via the integrated straps. The roller system makes it easy to carry the bag outside the vehicle.

**Bicycle fork mount**

Easy to handle. Lockable. Suitable for bicycles with a quick-release lock on the front wheel. Maximum load capacity: 17 kg. Can only be used in conjunction with the carrier unit.

**Front wheel holder (not pictured)**

Made from anodised matt aluminium, mounted with anti-theft bolts, completely pre-assembled. Suitable for bicycles with a half axle. Can only be used in conjunction with the bicycle fork mount.

**Bicycle rack**

This bicycle rack, made from specially shaped aluminium and powder-coated steel, enables you to attach your bike to your Audi safely and securely. Lockable. Maximum load capacity: 17 kg. Can only be used in conjunction with the carrier unit.
Communication

Audi USB memory key (not pictured)

The exclusive storage device that emulates the look of a genuine Audi vehicle key. Memory capacity: 8 GB. The special 90° position for laptops makes the device particularly convenient to use. Suitable for all vehicles equipped with a USB connection or the Audi Music Interface. Can also be used as a USB stick outside the vehicle.

Communication

Bluetooth headset

The ideal addition to the optional Audi Entertainment Mobile. Compatible with various Apple products such as the iPhone and iPod touch. Accessory not included, the protective case is in the bag provided. The rechargeable batteries can achieve an operational life of up to 15 hours.

Communication

Audi SD card (not pictured)

For storing your music: ultra-compact and universal SDHC memory card (16 GB), class 10. Comes with a protective case.

Communication

Audi wireless internet access with LTE* (not pictured)

For an LTE internet connection with a Wi-Fi network in the vehicle. With a data transfer rate of up to 100 Mbps and a hotspot for up to eight Wi-Fi-enabled mobile devices. Access is possible from up to 100 meters outside the vehicle. The use of mobile data abroad is possible using either a domestic contract SIM card and following activation in the configuration menu, or a local prepaid SIM card. For more detailed information, visit your Audi Centre.

Communication

Audi Entertainment Mobile*

The third-generation Audi Entertainment Mobile provides entertainment on the move with excellent image quality thanks to the 10.1-inch touchscreen. Perfect for videos, photos, games and music, it includes software that is intuitive to use, numerous connection options (SD, USB 2.0, HDMI IN, etc.) and a high level of functionality. By connecting to a Wi-Fi hotspot, users can access the internet e.g. via Audi wireless internet access with LTE. The device can be attached to the backseats of the front seats or used outside the vehicle. Requires preparation for Rear Seat Entertainment.

Communication

Audi wireless charging cover

Enable wireless charging of the Apple iPhone 5 upwards. To use, simply place the inductive charging case on a Qi-compatible charging station, such as the Audi Phone Box with wireless charging.

Communication

Audi SD card (not pictured)

For storing your music: ultra-compact and universal SDHC memory card (16 GB), class 10. Comes with a protective case.

* The Audi Entertainment Mobile is the winner of the Plus X Award in the product of the year category for 2015/2016.
† Available as a retrofit solution from Audi Genuine Accessories.
^ A mobile phone contract (not included) is required for use.
Audi child seat youngster plus

Offers a high level of comfort thanks to the intelligent seat-belt guide. The height and width of the backrest are adjustable. Adjustments to the seat size can be made with ease using a viewing panel. Suitable for children weighing between 15 and 36 kg (approx. 4 to 12 years of age).

ISOFIX base for Audi baby seat and Audi child seat

A more secure fit for the Audi baby seat and the Audi child seat. Can be installed and removed quickly. The adjustable support provides better stability. Enhances the level of protection for the child. Note: The ISOFIX base is optional for the baby seat, but is mandatory for the child seat.

Child seat underlay

Tailored to the design of the child seats as well as the interior of the vehicle. Car seats are protected against dirt and potential imprints made by the child seats. Includes two practical storage pockets. Fully compatible with all Audi child seats, even where the ISOFIX base is used.
Family

Audi baby seat

- Easy to fit using the ISOFIX base (recommended).
- Can also be secured using the three-point belt.
- The integrated seat belt ensures that the child is more secure; the attached hood also acts as a means of sun protection.
- With adjustable headrest.
- Suitable for small children up to 13 kg (approx. 12 months).

Audi plush steering wheel

- A steering wheel in an exclusive Audi design for racing drivers both big and small.
- Fitted with a squeaky horn for even more fun.

Cuddly ‘Rob the Gecko’

- Made from high-quality plush, Rob is hard-wearing, soft and washable.

Audi child seat

- Can be used in the forward or rear-facing position.
- With adjustable seat shell, integrated seat belt and adjustable headrest.
- Can only be used in conjunction with the ISOFIX base.
- Suitable for children weighing between 9 and 18 kg (approx. 1 to 4 years of age).

Backrest protector (not pictured)

- Ideal to prevent the backrest of your vehicle seat from getting dirty. Easy to wash.
- Also prevents children damaging the seat, e.g. by kicking it while travelling in the back.
- Offers additional storage space in the form of four small pockets.
- Tails to match the design of the child seat, the child seat underlay and the interior of the vehicle.
- Not suitable for integrated headrests.

Audi baby mirror

- Easy to secure to the headrest of the rear seat thanks to the Velcro fastener, keeping the baby in the rear-facing baby seat in view.
- Viewing angle can be adjusted as required.
- Not for integrated headrests.

Child seat colour variants

All child seats are available in the colour combinations of Misano red/black and Titanium grey/black. The materials used are kind to the skin, breathable, light-resistant, removable and washable and are certified in accordance with the Oeko-Tex® Standard 100. Replacement covers are available from your Audi Centre.

Child seat underlay

Backrest protector (not pictured)
Comfort and protection

Luggage compartment shell
Made-to-measure luggage compartment protection. Robust and washable. All-round edging prevents liquids from leaking onto the luggage compartment floor. Can only be used when the rear seats are folded down.

Luggage compartment net
Protects luggage against slipping. For fixing luggage into position via the lashing points in the luggage compartment.

Luggage compartment tray
Ideal for all luggage items that tend to leave traces during transportation. The inlay is made from plastic and features high edges and a robust design; it is also easy to clean. Wide grooves prevent loads from slipping. Can only be used when the rear seats are folded down.

Partition grille for the luggage compartment
The practical partition grille (lengthways and transversely) enables the luggage compartment to be separated from the interior as required; the luggage compartment can also be divided down the centre. The partition grille is easy and convenient to fit – no drilling is required.

Protective film for paintwork (not pictured)
Transparent, barely visible, high-performance protective film with an extra clear coat of paint. Reduces the effects of stone chipping, scratches and scuffs. Applied to the front of Audi vehicles.
Comfort and protection

Rubbish bin
A practical way to dispose of rubbish when travelling, with a waterproof interior compartment and a capacity of approx. 5 litres. Can be secured to the backrest of the front seats. Easy to clean. Standard refuse bags can also be used and secured easily inside the rubbish bin.

Camping tent
Inflatable tent featuring an innovative and high-quality design with double-walled air struts – includes bag, pump, tent pegs, repair kit and two separate awnings. Sleeps up to three people. Quick and intuitive to pitch. Can be secured to the backrest of the front seats. Easy to clean. Standard refuse bags can also be used and secured easily inside the camping tent.

Loading sill protective mat
Protection for the bumper: Simply attach to the load hook of the luggage compartment to prevent damage when loading and unloading. Suitable for transporting dogs, as it protects the bumper against scratches. Including polyester bag with zip and strap.

Loading sill protective sheet (not pictured)
Perfect fit. Made from transparent sheeting. Provides the bumper with better protection against damage when loading or unloading the luggage compartment.

Mud flaps (not pictured)
Made from high-quality plastic. Prevents damage to paintwork and stops dirt building up in the area around the sills and rear apron of the vehicle. Available as a two-part set for the front and/or rear of the vehicle.

Business bag
More space for all your business needs. The high-quality business bag offers you a storage volume of approx. 14 litres – enough space for a laptop of up to 15 inches, as well as other accessories. Can be securely fastened to the rear seat bench or the front passenger seat using the three-point seat belt. Can also be used outside the vehicle as a shoulder bag.

Rear seat bag
An organised storage space for the rear seat bench. With its various interior mesh pockets, additional storage compartment and total volume of approx. 27 litres, the rear seat bag in high-quality Audi design provides plenty of space for all your travel essentials. Easily secured using the three-point seat belt. Includes a non-slip surface on the underside of the bag.

Rear seat box
Sturdy storage solution for various small items. The high-quality rear seat box with a volume of approx. 12 litres makes journeys even more comfortable. It can be secured to the rear seat bench in just a few steps using the standard three-point seat belt. Includes a mesh pocket with internal drawstrings to secure the contents.

Comfort and protection

Shoe organiser (not pictured)
Organisation on the go: The shoe organiser can be integrated into the high-quality Audi interior and offers storage space for up to three pairs of shoes. The headrests of the front seats are also protected against soiling from shoe prints and stains. Not for integrated head restraints.

Espresso mobile
With a pressure of 16 bar, the espresso mobile is perfect for coffee lovers. The set includes 18 illy ESE pods, two shatterproof espresso cups, a microfibre cloth and an elegant case. Connection via the cigarette lighter in the vehicle interior.

Coat hanger
For jackets, coats and other items of clothing. Detaches to the front head restraints.

Sun protection system
A made-to-measure sun protection system for virtually complete sun protection inside your Audi. Available as a three-part set. Easy to assemble. Easy to store.

Rear seat protective cover
The versatile zip-fastening system allows dogs to enter and exit the vehicle via the rear doors. Simple and fast to attach. Durable surfaces, watertight and washable.

Safety harness for dogs
Safety harness for dogs available in four sizes. Made from highly resistant materials, including tear-resistant nylon and stainless-steel parts. Special padding makes things more comfortable for your pet. With reflective strips in the chest area. Can double as a harness for use outside the vehicle.

Comfort and protection

Gecko air freshener
Attaches easily to the air vents and fills the vehicle interior with a pleasant fragrance. No risk of leakage because the gecko air freshener does not contain any liquid.

Vehicle cover for outdoor use
Made-to-measure vehicle cover for outdoor use. Made of breathable and waterproof material, bearing the Audi logo. Offers protection against environmental influences such as dirt, dust, sunlight and rain. Includes transport bag for easy storage. Washable at 30°C.

Vehicle cover for indoor use
Ideal fit, in Anthracite, bearing the Audi logo. Made from a breathable and anti-static material. The piping accentuates the shape of the vehicle. Excellent protection from dust and dirt.

Rubber floor mats
Made-to-measure. Offer improved protection against heavy soiling. Connected to the vehicle by means of the fastening points on the vehicle floor. Q7 branded.

Premium textile floor mats
 earmarked exclusively for the Audi Q7. Made from durable, tightly woven velour. With a special coating on the underside. The floor mats are secured using the points provided for this purpose on the floor of the vehicle. Q7 branded.

LED adjustable reading lamp
Attaches with lightness where you need it, thanks to the flexible silicone rubber neck. Excellent stability in all positions. Connection via the cigarette lighter.

Vehicle cover for indoor use (not pictured)

Vehicle cover for outdoor use (not pictured)

Care products
Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.
