Important information Page 72
The humble paper clip. The tungsten filament. The silicon chip. Sometimes, the biggest ideas are found in the smallest things. And the same goes for the Audi A1. It includes premium materials and a range of technology you’ll find in our larger models, combined with a wide selection of engine and colour choices. The result is a compact car full of big ideas.

The Audi A1
Concentrated Audi.
With its progressive design and distinctive lines, the Audi A1’s looks hint at the quality inside. Available in a 3-door or 5-door Sportback body style, it has a compact design that remains unmistakably Audi, while options like a contrasting colour for the roof or roof line enable you to make it your own.
A compact design, combined with electromechanical steering, brings agility and responsiveness. Audi Drive Select lets you tailor engine characteristics and steering. And thanks to a range of suspension set-ups and a wide choice of petrol and diesel engines, there’s an option for everybody.
Audi A1 range
The Interior

Refined materials. Luxurious touches.

The A1’s interior is finely crafted and considered, right down to the look of the optional coloured air vents and the feel of the chrome-plated controls and leather-covered steering wheel. Our 6.5” MMI display comes as standard, showing you important information on a clear, high-resolution display.
Beauty in the detail.
The cabin features a level of quality rarely seen in a car this size. Zeitgeist cloth upholstery and split-folding 60:40 rear seats come as standard, with luxurious leather and Alcantara available as options. Choose the Sport model and the front seats are also upgraded to the Sport seat design.
Technology

Big on tech.

In the A1, you’ll find optional technology you might only expect at the top of the range. Like advanced key that lets you access and start your car with the key in your pocket, or options like HDD Navigation and Audi Connect that come as part of the Technology Pack. You can also add BOSE® Surround Sound System and LED Interior Lighting Pack to bring even more refinement to the interior. With so many innovations to choose from, you can create an Audi A1 that’s as individual as it is advanced.
Compact performance.

More power. More torque. Even more fun to drive. The Audi S1 is a high-performance model that can power from 0–62mph in just 5.8 seconds.* Sport suspension, ‘S’ steering and quattro all-wheel drive come fitted as standard for improved road-holding and a more engaging experience behind the wheel.

*5.9 seconds on Sportback models.
But it’s not just about performance. There are small but striking details, like contrast stitching, S1 badging and stainless steel pedals. Combined with optional Super Sport seats and a quattro Interior Styling Package, they help to ensure the S1 looks as impressive on the inside as it feels to drive.

Powerful looks.
Progress. It’s behind everything we do at Audi. It’s why, in the Audi A1, we’ve incorporated new technologies to help you on the road and engines to deliver impressive performance and fuel economy.

The Audi A1 is the embodiment of our forward-thinking approach.

Not just a slogan. A philosophy.
Driving confidence, whatever the weather.

Loose gravel. Icy patches. A tight bend in the rain. Conditions on the road are always changing, so quattro changes too. Standard on S1, it analyses your grip – automatically distributing power between all four wheels to where it’s needed most. It’s made for the most challenging conditions of all – the ones you encounter every day. Whatever the road holds, you can be confident that quattro will react.
Audi Connect Infotainment Services is the link between your Audi and the internet, giving you access to entertainment, information and search functions via scrolling and tapping.

With 3G internet access in your car,* you can call up news reports, fuel prices and weather, as well as high-resolution aerial and satellite pictures from Google Earth™.

When purchased as part of the optional Technology Pack, Audi Connect Infotainment Services is available as a 36-month subscription on all trims and models, with the exception of SE.

*Please note that an external data source is required to enable Audi Connect Infotainment Services. Terms and conditions apply. Please see pages 73 and 74 for additional information.
Stay connected on the move.
The following Audi-supported services are currently available:

Infotainment.

Weather information
Gives you the latest weather for today, as well as weekly forecasts and a weather map for your chosen destination.

Online news
Text and images from a variety of news sources with text-to-speech function so you are kept up to date with what's happening in the news.

Mobility and navigation.

Navigation with Google Earth™
Displays high-resolution aerial and satellite images to help guide you to your destination.

Points-of-interest (POI) search with voice control
Allows internet searches via Google for special destinations so that you can access POI information such as opening hours, visitor reviews and photos. Integrated voice recognition, which can be conveniently operated by pushing the button on the multi-function steering wheel, offers even more convenience. You can also access POI information straight from your smartphone with the Audi MMI app.

Destination entry via Google Maps™
Using your smartphone or tablet and myAudi, you can conveniently plan your journey using Google Maps™ and send the destination details to your car's navigation system.

Travel information
With Travel information you can find out what's happening nearby and at your destination. The online search engine provides detailed information such as sights, restaurants, shops, etc. which can be loaded directly into your navigation destination. You can also access travel information from your smartphone with the Audi MMI app.

Parking information
Helps you find car parks nearby and, where available, information on prices and currently vacant spaces.

City events
The City events function provides information about current events and places of interest at your location or travel destination.

Fuel prices
Information on filling stations with the cheapest prices in your selected search area. You can sort by price or by distance for your convenience, and can load destinations directly into your navigation system.

Traffic information online
Receive the latest information about your route, such as traffic congestion and roadwork updates. The traffic information data is continuously updated and displayed in colour on the navigation map, and the dynamic route guidance will keep you updated.

Fuel prices

The content and scope of the Audi Connect Infotainment Services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi Connect Infotainment Services. Terms and conditions apply. Please see pages 73 and 74 for additional information.

*In order to enjoy these services, customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi.
Compact, yet innovative.
The Audi A1 comes with a high-resolution 6.5” MMI display and DAB digital radio as standard. There’s also a huge range of optional features available, some of which are packaged together for your convenience in our Technology Pack.

You can choose options that take the strain out of driving, like high-beam assist and Satellite Navigation, as well as Audi Parking System Plus that makes it easier to get into the tightest of spaces. And for the ultimate in entertainment, you can also add the BOSE® Surround Sound System.
The following sections of this guide are designed to make it easy for you to understand the specification of your Audi A1 and select the options you want. So with just a few choices, you can begin to create the Audi you’ve always imagined. However, if you want more details, please download the relevant pricelist from www.audi.co.uk/pricelist.
A1 SE
Available on A1 and A1 Sportback.

The SE offers an attractive level of specification as standard. Highlights include 15" alloy wheels, 3-spoke Sport steering wheel and a 6.5" MMI display screen in high-gloss black.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate. Visit your local Audi Centre for a more accurate colour swatch.

Options are subject to availability and may extend time taken for delivery.
Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. There are over 50 exclusive paints* to choose from, a selection of which you can see below, or specify any other paint colour in the Audi range. You can also order customised paint† – if you have a particular colour in mind, we’ll mix the exact metallic or pearl-effect shade you want.

*Audi exclusive paint is subject to factory approval. Visit your local Audi Centre for colour samples.
†Customised paint is subject to factory approval, and is available for metallic and pearl-effect water-based paints only. Three-colour process colours and two-tone schemes are not available.
**Your contrast roof line**

Personalise your A1 or S1 3-door by choosing a roof line in a contrast colour.

To help you choose the exterior design of your A1 and S1 3-door, please use this guide which shows possible paint and contrast roof line combinations.

*Colour combinations are dependent on model, trim and/or package choice. For details, please download the pricelist from www.audi.co.uk/pricelist*

Audi Genuine Accessories

Personalise your Audi today.

Make your Audi A1 your own by adding some genuine accessories. They’re all created by Audi and specially crafted for our models, so they’ll deliver the high standards you expect. What you see here is just a selection. See the full collection at www.audi.co.uk/accessories or speak to your Audi Centre for pricing.

Protection Pack
Protects your interior from mud, spills and daily wear and tear.

Business Pack
Provides convenient storage for everything from laptops to suit jackets.

Roof bars
Secures your bike, skis or roof box on any journey.

Roof box
Gives you extra carrying capacity when you need it.

Touring Pack
Includes a cool box, rear seat storage and more.

Comfort Pack
Helps you get organised – featuring a handy boot tidy and coat hanger.

Solutions Personal Contract Plan
A flexible finance plan designed to give you a number of options, making it ideal if you want to change your car more regularly. At the end of the agreement, you have three choices:
1. Exchange the car for a new Audi.
2. Pay the option to purchase fee and optional final payment, then take full ownership of the car.
3. Simply return the car to Audi (fees may be payable).

Hire Purchase
If you know you’d like to keep your Audi, Hire Purchase could be right for you. And as you’re making your payments with a view to owning the car, there’s no restriction on how far you can drive each year.

Contract Hire
If you don’t own your Audi, Contract Hire could be a great option. You can add a service, maintenance and tyres plan and, for VAT-registered businesses, an element of the VAT on rentals may be recoverable. You simply need to commit to a regular monthly payment and hand your car back at the end of your agreement (subject to our return standards).

Online Finance Calculator
Use our Online Finance Calculator to get a personalised quote that suits you. Simply visit the Finance and Offers section on www.audi.co.uk and you can choose between our Solutions Personal Contract Plan and Contract Hire calculators to see what you can expect to pay for your new Audi.

Audi Insurance
To ensure you can start enjoying your new car from day one, the first five days’ insurance* is included as standard with all new Audi models. To activate it, simply call 0330 303 6900, give us a few details and you can drive it away as soon as you take delivery.

Your finance
Get your finance quote in seconds.

Simply go to www.audi.co.uk and enter a few details to see the monthly payments you could be making on a new Audi A1. Below we’ve outlined some of the different options available – you just need to choose your annual mileage and length of term, then pay an initial deposit that could be as little as one monthly payment.*

*Amount of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Audi Financial Services. †Subject to eligibility criteria. Audi Motor Insurance is sold and administered by Ageas Retail Limited. Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, registered in England and Wales No. 2835230. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 672316. Audi Motor Insurance from Audi Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1124983. Registered office Apsley House, Hampshire Corporate Park, Tempes Way, Eastleigh. Intercompany 5503 314. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 618608. Volkswagen Financial Services UK and Ageas Retail Limited are not part of the same corporate group.
Welcome to Audi.

By placing an order for your Audi, you’re choosing to drive a car created in the spirit of Vorsprung durch Technik. And because we believe the service we offer should reflect the quality of our cars, we want to let you know exactly what you can expect from us, now and in the future.

Audi customer care

Every new Audi includes these reassuring features as standard:

- 3-year Audi warranty (unlimited mileage in the first 2 years, with a full mechanical and electrical warranty up to 60,000 miles in the third year)
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- A 3-year UK roadside assistance and recovery
- 3-year Accessories warranty on any accessories purchased with your car (2-year warranty if purchased separately from your new Audi)*

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Warranty terms and conditions apply. Please see www.audi.co.uk/warrantyterms for further details.

Information in this guide

We’ve done all we can to make the specifications and technical details and all other information you see in this brochure accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

You’ll find full pricing information in the pricelist, which can be downloaded from www.audi.co.uk/pricelist and include equipment that is not UK specification.

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First-year VED rates apply to the first year of ownership. Annual VED rates apply thereafter.

Vehicle Excise Duty (VED) rates correct at time of publication, but these may alter to reflect any change in the applicable VED rate. *Vehicle with a list price exceeding £44,000 (including factory fitted options, delivery charge, number plates and VAT) will pay an additional £45.00 plus the standard annual rate for a 5-year period. After the 5-year period only the standard rate will apply.

Vehicles registered on or after 1 April 2017

*Excludes Road Arnég product.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details.

Enhancements in vehicle technology, information technology and web-based services sometimes require the Connect Services to be adapted and enhanced in line with new forms of technology or changes in user behaviour. In this context, Audi AG reserves the right at any time to enhance, reduce or change the functional scope of the Connect Services in a manner that it considers is reasonable for the customer.

For full details of the specific Connect Services on your vehicle, together with complete and up-to-date terms and conditions for those Connect Services, please visit www.audi.co.uk/connectterms

Audi Connect Infotainment Services

An external data source is required to enable the Audi Connect Online Infotainment Services (“Infotainment Services”). One of two can be used:

- A Bluetooth-compatible mobile telephone with remote SIM access profile (“SAP”). For mobile phone and software compatibility, please visit www.audi.co.uk/phonecompatibility or your local Audi Centre; or
- A separate SIM card with data option (which can be inserted into the vehicle SIM card reader). If 4G usage is required, the SIM card will also need a 4G option. When a separate SIM card is used, hands-free phone calls are possible by connecting a different mobile telephone via Bluetooth hands-free profile. For mobile phone and software compatibility, please visit www.audi.co.uk/phonecompatibility or your local Audi Centre.

Audi Connect Infotainment Services

The Connect Services include:

- Audi Connect Infotainment Services
  - ("Infotainment Services").

Some services require additional activation steps. In order to enjoy these services customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi (please visit https://login.audi.com). Some services also require the download of the Audi MMI app on a compatible phone or tablet (always check latest phone and software compatibility).

Whilst correct at the time of publication, the content and scope of the Connect Services offered may vary from time to time. Features vary by model. Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services.

Warranty terms and conditions apply. Please see www.audi.co.uk/warrantyterms for further details.
Diamond cut finish alloy wheel

Diamond cut is a special finish on aluminium wheels. It is also sometimes referred to as ‘polished’ or ‘partly polished’. Special aftercare should be taken when driving in extreme wintry road conditions.

For manufacturing reasons, these wheel surfaces do not have sufficient corrosion protection for such use and they can be permanently damaged by road salt or similar.

CO₂ and fuel consumption figures

Official fuel consumption figures for the A1 3-door range, in mpg (l/100km) from: Urban 42.8 (6.6) – 64.2 (4.4), Extra Urban 64.2 (4.4) – 85.6 (3.3), Combined 55.4 (5.1) – 74.3 (3.8). CO₂ emissions 120 – 97g/km.*

Official fuel consumption figures for the S1 3-door quattro range, in mpg (l/100km) from: Urban 30.7 (9.2) – 31.0 (9.1), Extra Urban 47.9 (5.9) – 48.7 (5.8), Combined 39.8 (7.1) – 40.4 (7.0). CO₂ emissions 166 – 162g/km.*

Official fuel consumption figures for the A1 Sportback range, in mpg (l/100km) from: Urban 42.1 (6.7) – 64.2 (4.4), Extra Urban 64.2 (4.4) – 85.6 (3.3), Combined 54.3 (5.2) – 74.3 (3.8). CO₂ emissions 123 – 97g/km.*

Official fuel consumption figures for the S1 Sportback quattro range, in mpg (l/100km) from: Urban 30.4 (9.3) – 30.7 (9.2), Extra Urban 47.1 (6.0) – 47.9 (5.9), Combined 39.2 (7.2) – 39.8 (7.1). CO₂ emissions 168 – 165g/km.*

Fuel consumption figures are correct at time of publication. For full technical data by engine, please download the pricelist from www.audi.co.uk/pricelist

*Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions. Optional wheels may also affect emissions and fuel consumption figures. More information is available at www.dft.gov.uk/co2

Important information

Infotainment Services will only be available within the coverage area of your mobile phone network and there may be additional costs to you for the use of Connect Services (charges and billing correspond to your personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended.

The Infotainment Services enable access to certain search, social media and other online services provided by third parties. Features vary by model. Permanent availability cannot be guaranteed as this is the responsibility of the relevant third party provider.

You may not use the Connect Services for any purpose other than the provision or receipt of services in accordance with these terms.

The subscription is activated from the point of vehicle registration. Should you wish to continue to use the Connect Services after your subscription expires, please consult your local Audi Centre for details (including the latest subscription fees). Charges will apply upon renewal.
