Roadside

If You are stranded on a public highway (or other accessible road or area to which the public has the right of access) as a result of a Breakdown to Your Vehicle, We will arrange for a Contractor to assist You who will try to repair the Vehicle at the roadside.

Roadside includes labour at the scene of the Breakdown but not labour at any garage to which the Vehicle is taken. If the Vehicle cannot be repaired at the roadside, or if repairs are unwise, We will arrange for the Vehicle and up to 8 people to be taken to an Approved Repairer. If You wish the Vehicle to be taken to any other destination we will use reasonable endeavours to assist if You pay for the towage costs for the whole distance.

If You cannot readily get to the Vehicle, We will arrange, if practicable, to have it towed to a place of safety and stored until You can collect it. The customer must be in attendance with the vehicle at the time of Breakdown and at the time of assistance. If the vehicle is stored, this is at the customer's cost.

Roadside does not cover:

- Routine servicing of the Vehicle.
- Breakdowns which would be prevented by routine servicing of Your Vehicle.
- Any labour other than that incurred at the roadside including, without limitation, garages.
- The cost of parts, fuel or other supplies.
- Replacing tyres or windows.
- Missing or broken keys. We will try to arrange the services of a locksmith if You pay them direct.
- The cost of ferry crossings, road toll and congestion charges.
- Vehicles being demonstrated or delivered by motor traders, or used under trade plates.
- Vehicles, which in the reasonable opinion of Our patrol or contractor, had broken down or were unroadworthy before You took out Your Policy.
- Vehicles within 1/4 mile of Your Home or where You normally keep the Vehicle.
- Contaminated fuel. However, We will arrange for the Vehicle to be taken to a local garage for You to arrange and pay for any work carried out.
- Any Vehicle storage charges before, during or after any assistance provided by Us.
- Assistance following an Accident, fire, theft or vandalism or other incident normally covered by a motor insurance policy. We can arrange assistance if You pay for the cost of assistance. (You may be able to recover these costs under the terms of Your motor insurance policy).
- The tow or transport of any Vehicle, which, in Our reasonable opinion, is loaded beyond its legal limit.
- Any Vehicle in a position where We cannot work on it or tow it, or wheels have been removed, we can arrange to rectify this but You will have to pay the costs involved.
- If there are animals in the Vehicle, their onward transportation is at Our sole discretion and is carried out solely at Your risk. We will not insure any animal or livestock in transit, during any onward transportation.

Recovery

Recovery has the same features and limitations as Roadside but with the following variations: Recovery operates only in the United Kingdom.

If We cannot arrange for the Vehicle to be repaired locally within a reasonable time, We will arrange for the Vehicle and up to 8 people to be taken Home or to any other single address. If there are more than 5 people this may require two separate Vehicles. An adult must accompany any persons under the age of 16.

Residents of Northern Ireland are also entitled to be recovered from the Republic of Ireland. In the event that the Vehicle is vandalised or is involved in a road traffic Accident, We will provide Recovery to the nearest VWG approved bodyshop or to a destination of Your choice.

Recovery does not cover:

- Caravans, trailers or other objects being towed.
- A second Recovery if:
 - a) the original fault has not been repaired properly by a party other than Audi Roadside Assistance;
 - b) Audi Roadside Assistance have advised You that it is a temporary repair; or
 - c) the desired destination cannot accept the Vehicle due to company opening hours or other restrictions.

If a second Recovery is required this service can be provided but a charge will be made dependent on the service required, time of day and distance. These charges will be payable by credit/debit card prior to the relevant service being provided.

- Use of the services having the object or effect of avoiding repair costs. For example if a Vehicle can be repaired in a reasonable time we may not arrange recovery but arrange for repair instead.

At Home

At Home has the same features and limitations as Roadside but with the following variations:

- At Home is only available in the United Kingdom.
- At Home allows You to use Roadside services within 1/4 mile of Home or the place where you normally keep the Vehicle.

At Home does not cover:

- Rectifying failed repairs attempted by You or someone on Your behalf.
- Caravans, trailers or other objects being towed.
- The reimbursement of taxi fares.

Onward Travel

If We cannot arrange for the Vehicle to be repaired locally within a reasonable time, We will arrange one of the following;

- Caravans, trailers or other objects being towed.
- Any Onward Travel Benefits, as stated above, before Our attendance of the Breakdown incident.
- Any charges arising from Your use of the hire car, such as fuel costs, deposit, any insurance excess charges, collecting and returning the vehicle and any costs due to You keeping the car after the agreed period of hire (You must settle these charges directly with the supplier).
- A second use of Onward Travel benefits if the original fault has not been properly repaired by a third party other than Audi Roadside Assistance or if Audi Roadside Assistance have advised You that it is a temporary repair.
- Any Onward Travel Benefits, as stated above, if the vehicle has been involved in an Accident.
- Any Onward Travel Benefits, as stated above, due to mis-fueling, lost keys, lock-outs, kerb collisions, wheel changes and punctures.

2. AA Accident Management will only be provided following Your involvement in an accident in the United Kingdom (please note that restrictions on certain services may apply in Northern Ireland).
3. We can stop providing You with Accident Management at any time if We reasonably believe (at Our discretion) that the service You are requesting goes beyond the scope of Accident Management or will cause Us to incur unreasonable costs on Your behalf (for example, if any claim is disputed by Your insurers, We will not be obliged to assist You in pursuing the claim). This will not affect Your Membership with Us for any other services.
4. Any contract for goods or services We obtain on Your behalf will be between You and the third party supplier (unless We notify You otherwise). We will not be responsible for the terms of any agreement with a third party supplier, or for the implications to You of entering into a contract on those terms. You should therefore check the terms of any such agreement carefully, to ensure that You are happy with them.
5. There may be additional charges for goods or services We arrange on Your behalf including, but not limited to, services such as the sourcing of car hire or car repair. You will be notified of any additional charges (either by Us or the third party supplier) before You are obliged to enter into any contracts with any third party suppliers.

Cover is available for either:

(a) Vehicle repatriation to the United Kingdom

The cost of taking the Vehicle by a road transporter from abroad to Your Home or chosen UK repairer for repair in the UK.

Volkswagen Group European Roadside Assistance 24 hour helpline: 00800 1330 3939

Authority for repatriation or repair

If the Vehicle is not able to be driven due to a road traffic Accident, fire, break-in or theft, any damage which You are entitled to have repaired by Your motor insurers must be reported to them immediately. Your insurers must decide whether to declare the Vehicle as a write-off, authorise repair abroad or have the Vehicle repatriated. We cannot repatriate the vehicle unless Your insurers first give their permission.

Audi Roadside Assistance also reserve the right to negotiate with them to reclaim costs incurred. If Your insurers cannot or do not give permission to repatriate then it is Audi Roadside Assistance's decision alone whether to declare the Vehicle as a write-off, or repatriate or repair locally a Vehicle which cannot be driven as a result of a Breakdown, or as a result of a road traffic Accident, fire or theft, for which You do not have fully comprehensive cover.

Additional Services

Cover is available for the following if applicable:

Requirements and limitations

A. Service in the UK and abroad

Credit card details

Audi Roadside Assistance will require Your credit card details if Audi Roadside Assistance arrange a service for You which is not covered by, or exceeds, any levels specified in the part entitled "Terms and Conditions". If You do not provide Audi Roadside Assistance with Your credit card details Audi Roadside Assistance will not be able to provide certain services which will be notified to You when credit card details are requested.

Caravans and trailers

The Vehicle restrictions apply equally to caravans and trailers except that the maximum length of trailers and/or caravans must not exceed 7.0m. If the Vehicle which has suffered a Breakdown is towing a caravan or trailer and We provide recovery, the caravan or trailer will be recovered together with the Vehicle to a single destination. Other than as set out in this paragraph caravans and trailers are not covered.

We do our best to find solutions to motoring problems, but We regret We cannot arrange a replacement caravan or trailer in the event of Breakdown or Accident damage which cannot be repaired. It is also virtually impossible to hire vehicles with tow bars and it may become necessary to repatriate a caravan or trailer together with a towing vehicle which cannot be repaired abroad by the return date.

Unforeseeable losses or events

Except in relation to any claim You may have for death or personal injury, if We are in breach of the arrangements under this contact, We will not be liable for any losses or damages which are not a reasonably foreseeable result of any such breach, for example, loss of profit, loss of revenue or anticipated savings, loss of contacts, or for any business losses.

We do not guarantee the provision of any of the benefits under this document, if there is anything beyond Our reasonable control or the reasonable control of any service provider which prevents Us or a service provider from providing that benefit. Benefits may be refused if You or any of Your Party behaves in a threatening or abusive way to any persons providing service.

Taxi Bookings

In some circumstances it can be quicker and easier for You to arrange a taxi. We may ask You to make Your own arrangements for taxi service. If so please send Your receipts to us and We will reimburse You.

B. Service in the UK only

Battery related faults

For battery related faults Your Policy entitlements are as follows:

- Audi Roadside Assistance's initial attendance for a battery related fault is included in Your Policy's entitlement.

- The fitting of any parts or batteries purchased by You prior to Our attendance is not covered. This is to ensure that parts are fitted from reputable sources in order to avoid secondary callouts.
- Audi Roadside Assistance will test Your battery at that initial Breakdown attendance. If the battery is no longer serviceable and so fails the test You will be advised to replace it.

C. Service abroad only

Motor insurance

We strongly recommend You tell Your motor insurers before taking the Vehicle abroad. If You do not, Your motor insurance policy may only cover You for damage You might cause to other people or their property (third party cover). This means that You would not be covered for any loss or damage to the Vehicle. Your insurers will also need to know if You are towing a caravan or trailer.

Service providers

Unless the services are provided by Audi Roadside Assistance patrols or contractors acting on Our instructions and on Our behalf, We do not give any guarantee as to the services provided by garages, Breakdown/recovery companies, repairers, car hire companies and other third party service providers whose emergency services We arrange on your behalf and/or pay for under European Motoring Assistance - they do not act as Our agents or subcontractors and We do not accept responsibility for their acts or omissions.

You should check that any repairs to Your Vehicle are carried out to Your reasonable satisfaction.

Important self-drive hire car information

Audi Roadside Assistance will normally try to arrange a hire car similar in seating capacity and volume to, but not necessarily the same as, the Vehicle, if there is one available. If You were travelling in an MPV or similar vehicle Audi Roadside Assistance may arrange two hire cars. Audi Roadside Assistance will only arrange this if there are two qualified drivers in Your Party. Otherwise, Audi Roadside Assistance will arrange alternative means of transport. Self-drive car hire arranged will be subject to the normal conditions of the hiring company. These will include limitations on driver age, driving convictions and other licence penalties etc. The driver must also have held a full UK driving licence or equivalent for a minimum of one year (2 years for France). Your credit card details will also be required as security for the hire and to cover extras such as top up of the fuel tank when returning the vehicle. Car hire companies insist on having credit card details at the time of booking and the card must be produced at the time of hiring the car. The name on the credit card and the name of the driver of the hire vehicle must be the same. If You leave a hire car at a different location to the one arranged by the Volkswagen European Roadside Assistance centre You must pay any collection charge which may be made. Please note that many car hire companies across Europe charge a damage excess which is not covered by the collision damage waiver. In some parts of Europe hire cars are not allowed to cross national borders. It may be necessary therefore to arrange two hires or alternative transport to complete Your journey. A car hired abroad must not be brought into the United Kingdom. It cannot be guaranteed that a hire car will be available.

Audi Roadside Assistance cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with tow bar, roof rack, roof boxes, automatic gearbox, sports cars, 4x4 or luxury class vehicles and cannot guarantee the hire of minibuses or vans.

Audi Roadside Assistance will not be responsible for any delays in obtaining a hired vehicle and cannot guarantee to provide it in time to connect with Your pre-booked ferry, etc. You may have to collect a hired vehicle from the nearest available place of supply.

Special requirements for vehicles with over 9 seats

The supply of minibuses as a replacement vehicle can often prove difficult. When one is available the following regulations apply:

Drivers must be at least 21 years old and have a full year's car driving experience. Special documents and tachographs are mandatory throughout the EU. For more information contact your local Department of Transport Area Office for details.

Repayment of credit

You must pay back to Us on demand:

- a) any costs We have paid for which are not covered as described in this document;
- b) the cost of any spare parts supplied.

Spares dispatch
